Chairman's Message

Dear Students,

Let me congratulate you on your decision to join our +2 Science & Commerce college for pursuing your course of study. This prospectus, a brief introduction to our institution, speaks of those features that reaffirm our faith in and commitment to the essential task of nurturing your inherent talent for a prosperous and successful career in science education.

From this year we are going to introduce cricket coaching in higher secondary school to create good cricketers at national level.

Vice-Chairman's Message

I welcome your interest in Hi-Tech Higher Secondary School and hope that in future we will have an opportunity to interact in person. In the next few pages you can know about our method of functioning. Come & share with us the pride in present and confidence in the future. If you are a prospective learner, I wish you success in getting admitted to our +2 Science College.

Managing Trustee's Message

The last decade has witnessed great upheavals in the sphere of science education. And this is due to the ongoing change in technology in every sphere, be it engineering, Medical science, Pharmaceutical, Nursing, etc. Having been aware of the phenomenal changes HGEI was established with a vision to churn out technocrat, medicos, scientists with competence and caliber to face the challenges at the International level.

Principal's Message

I, on behalf of Hi-Tech Science College express my sincere gratitude to the parents for keeping constant reliance on us through combine efforts taken to enrich and high-light the talents of the students.

We are also taking special measures for the development of cricket in our campus.
